

POM CAMPS

DanceQuest is having it's first-ever pom camps this summer. These exciting camps will introduce dancers to pom technique, teach them a full pom routine, and the week ends with a performance at the Joliet Buccaneers football game! All dancers will also receive a t-shirt to wear at the game.

The Joliet Buccaneers Minor League Football Organization marks its seventh year of operation and enjoys working with the local community dance companies, as it gives the young children the opportunity to show case their talent on center stage during our half-time shows during their off season. We are a non-profit organization encouraging young adults in continuing their play of football for the love of the game after their high school and/or college career. We offer high quality, family affordable, football fun!

Visit their website at

www.jolietbuccaneers.com.
